

Eligibility criterion for U.G. Programme and Examination Pattern

Programme	Minimum Qualification for admission	Pattern of Entrance Examination
B.A. (Programme Code 101)	Students who have passed 10+2 or equivalent examination in any subject from a recognized Board/Institution having scored a minimum of 45% in aggregate or equivalent CGPA or equivalent grade in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. The Paper shall comprise 60 questions on History, Geography, Political Science, Social Studies and Economics and rest of 40 questions will be based on General Awareness, General Aptitude, General Mental Ability, Numerical Ability and Language Comprehension of Hindi & English. The standard of the examination will be of 10+2 Examination or equivalent. The CBSE syllabus of 10+2 level of the subject will be applicable for subject related questions.
B.A. (Hons.) in JMC (Programme Code 102)	Students who have passed 10+2 or equivalent examination in any subject from a recognized Board/Institution having scored a minimum of 45% in aggregate or equivalent CGPA or equivalent grade in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. The Paper shall comprise questions related to General Awareness, General Aptitude, General Mental Ability, Numerical Ability and language comprehensive of Hindi & English. The standard of the test will be of 10+2 Examination or equivalent. The CBSE syllabus of 10+2 level of the subject will be applicable for subject related questions.
B.Sc. (Programme Code 103)	Students who have passed 10+2 examination in Science with Biology and Chemistry from a recognized Board/Institution having scored a minimum of 45% in aggregate in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. The paper shall be divided in four Sections A, B, C and D . The Section A shall comprise 40 questions on General Awareness, General Aptitude, General Mental Ability, Numerical Ability and Language comprehension of Hindi & English. Section B shall comprise 20 questions on Physics & 20 questions on Chemistry. Section C shall comprise 20 questions on Biology and Section D shall comprise 20 questions on Mathematics. Section A and B shall be compulsory to all whereas candidates may attempt Section C or Section D according to their stream. The standard of the test will be of 10+2 Examination or equivalent. The CBSE syllabus of 10+2 level of the subject will be applicable for subject related questions.
B.Sc. (Programme Code 104)	Students who have passed 10+2 examination in Science with Physics, Chemistry and Mathematics from a recognized Board/Institution having scored a minimum of 45% aggregate in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	Compulsory: Section A Section B Optional: Section C or Section D
B.Sc. (Hons.) Biotechnology (Programme Code 105)	Students who have passed 10+2 examination in Science from a recognized Board/Institution having scored a minimum of 45% aggregate in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	Compulsory: Section A Section B Optional: Section C or Section D

B. Sc (Yoga) (Programme Code 106)	Students who have passed 10+2 examination in in any discipline from a recognized Board/Institution having scored a minimum of 45% in aggregate in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. The Paper shall comprise 100 questions will be based on General knowledge, General Awareness, General Aptitude, General Mental Ability and Numerical Ability and language comprehensive of Hindi & English. The standard of the test will be of 10+2 Examination or equivalent.
B. Com. (Programme Code 107)	Students who have passed 10+2 examination in Commerce or Mathematics from a recognized Board/Institution having scored a minimum of 45% in aggregate in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. The Paper shall comprise 70 questions on Commerce and rest of 30 questions will be based on General Awareness, General Aptitude, General Mental Ability, Numerical Ability and Language comprehension of Hindi & English. The standard of the test will be of 10+2 Examination or equivalent. The CBSE syllabus of 10+2 level of the subject will be applicable for subject related questions.
Bachelor of Business Administration (B.B.A) (Programme Code 108)	Students who have passed 10+2 examination in in any discipline from a recognized Board/Institution having scored a minimum of 45% aggregate in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 objective type multiple-choice questions carrying 100 marks. The Paper shall comprise 100 questions based on General Awareness (Current Affairs and General Knowledge), General Aptitude/Reasoning, Quantitative/Numerical Aptitude, Hindi & English Language Comprehension. The standard of the test will be of 10+2 Examination or equivalent.
Bachelor of Business Administration (B.B.A.) in Tourism and Travel (Programme Code 109)	Students who have passed 10+2 examination in in any discipline from a recognized Board/Institution having scored a minimum of 45% aggregate in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. The Paper shall comprise 100 questions will be based on General Awareness, General Aptitude, General Mental Ability, Numerical Ability and Language comprehension of Hindi & English. The standard of the test will be of 10+2 Examination or equivalent.
Bachelor of Computer Applications (B.C.A.) (Programme Code 110)	Students who have passed 10+2 examination with Mathematics from a recognized Board/Institution having scored a minimum of 45% aggregate in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. The paper shall comprise: 40 questions on General Awareness, General Aptitude, General Mental Ability, Numerical Ability and Language comprehension of Hindi & English, 20 questions on Physics, 20 questions on Chemistry and 20 questions on Mathematics. The standard of the test will be of 10+2 Examination or equivalent. The CBSE syllabus of 10+2 level of the subject will be applicable for subject related questions.

B. Voc in Theater, Stagecraft, Film production and Media Technology (Programme Code 1113)	Students who have passed 10+2 examination in in any discipline from a recognized Board/Institution having scored a minimum of 45% aggregate in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. The Paper shall comprise 100 questions will be based on General Awareness, General Aptitude, General Mental Ability, Numerical Ability and Language comprehension of Hindi & English. The standard of the test will be of 10+2 Examination or equivalent.
B.Voc in Software Development (Programme Code 114)	Students who have passed 10+2 examination in in any discipline from a recognized Board/Institution having scored a minimum of 45% aggregate in case of candidates belonging to General category and OBC and 40% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks. The Paper shall comprise 100 questions will be based on General Awareness, General Aptitude, General Mental Ability, Numerical Ability and Language comprehension of Hindi & English. The standard of the test will be of 10+2 Examination or equivalent.
B. Pharm. (Programme Code 111)	Students who have passed 10+2 examination conducted by the respective state/central government authorities recognized board as equivalent to 10+2 examination by the Association of Indian Universities (AIU) with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M) and or Biology (P.C.B / P.C.M.B.) as optional subjects individually. Any other qualification approved by the Pharmacy Council of India as equivalent to any of the above examinations. The candidate should have scored a minimum of 50% in aggregate in case of candidates belonging to General category and OBC and 45% in case of students belonging to SC/ST/PWD categories are eligible to apply.	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks to test the candidates' knowledge in the areas of Physics (35%), Chemistry (35%), Biology and/or Mathematics (30%). The standard of the test will be of 10+2 Examination or equivalent. The CBSE syllabus of 10+2 level of the subject will be applicable for subject related questions.
D. Pharm. (Programme Code 112)	Students who have passed 10+2 examination with Physics, Chemistry, Mathematics (PCM) or Physics, Chemistry, Biology (PCB) or Physics, Chemistry, Mathematics & Biology from a recognized Board/Institution having scored a minimum of 50% aggregate in case of candidates belonging to General category and OBC and 45% in case of students belonging to SC/ST/PWD categories are eligible to apply,	There shall be one paper of 2:00 Hours (two hours) duration containing 100 multiple-choice questions carrying 100 marks to test the candidates' knowledge in the areas of Physics (35%), Chemistry (35%), Biology and/or Mathematics (30%). The standard of the test will be of 10+2 Examination or equivalent. The CBSE syllabus of '10+2 level of the subject will be applicable for subject related questions.
B. Pharm (Lateral Entry)	A Candidate who have passed D.Pharm course from an institution approved by the Pharmacy Council of India under section 12 of the Pharmacy Act and having scored a minimum of 50% in aggregate in case of candidates belonging to General and OBC categories and 45% in case of students belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions with duration of 2 hours to test the candidates' knowledge in the subjects (Pharmaceutics, Pharmaceutical Chemistry, Phamacognosy, Pharmacology and other pharmacy subjects) in D. Pharm Level.

<p>B. Ed. (Two Year Programme) (Programme Code 115)</p>	<p>(a) The candidates who have passed Bachelor's Degree and/or Master's Degree in Sciences/Social Sciences/Humanities with minimum of 50% marks or Bachelor in Engineering or Technology with specialization in Science and Mathematics with minimum of 55% marks from a recognized Indian or foreign University / Board (as per the AIU foreign equivalence list) or any other qualification equivalent thereto are eligible to apply. The reservation and relaxation for SC/ST/OBC/PWD shall be as per the rules of the Central Govt./IGNTU whichever is applicable.</p>	<p>The Question Paper consists of 100 objective type questions with duration of two hrs. to test the candidates' knowledge in the following domains: PART-A (50 Marks) General Awareness Reasoning Teaching Aptitude Language Proficiency in Hindi & English PART-B (50 Marks) Subjects (Science/Arts) will be covered as per the graduation level.</p>

Eligibility criterion for P.G. Programmes and Examination Pattern

Programme	Minimum Qualification for admission	Pattern of Entrance Examination
<p>M.A. in Ancient Indian History, Culture & Archaeology</p>	<p>A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% in aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.</p>	<p>The Question Paper consists of 100 objective type questions to test the candidates' knowledge in Ancient Indian History, Culture and Archaeology. The standard of the test will be of 10+2+3 Examination or equivalent.</p>
<p>M.A. in Economics</p>	<p>A Bachelor degree with Economics /Psychology/ B.Com/B.B.A/B.Sc from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% in aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.</p>	<p>The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.</p>
<p>M.A in Education</p>	<p>A Bachelor Degree in any Discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% in aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.</p>	<p>The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the following domains: 1. Education in emerging Indian society 2. Development of learner and teaching learning process 3. Development of education system in India 4. Information & communication technology or education technology. The standard of the test will be of 10+2+3 Examination or equivalent.</p>
<p>M.A. in English Literature</p>	<p>A Bachelor Degree in any Discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.</p>	<p>The Question Paper consists of 100 objective type questions to test the candidate's knowledge in English language and the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.</p>
<p>M.A./M.Sc. in Geography</p>	<p>A Bachelor degree (BA/B.Sc. degree) with Geography as a subject from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.</p>	<p>The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject in the topic: Physical Geography, Human Geography, Economic Geography, Climatology and Oceanography, Biogeography, Geomorphology, Geography of</p>

		India, Population & Settlement Geography, Social and cultural Geography, Agricultural and Industrial Geography, Political Geography, Geographical Thoughts, World Regional Geography and Practical Aspects of Geography. The standard of the test will be of 10+2+3 Examination or equivalent.
M.A. in Hindi Literature	A Bachelor degree with Hindi as a subject from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidate's knowledge in the following areas: हिन्दी साहित्य का इतिहास, हिन्दी साहित्य में विविध विमर्श, भाषा विज्ञान, हिन्दी गद्य विधाएं, हिन्दी कथा साहित्य, भारतीय एवं पाश्चात्य साहित्य सिद्धान्त, हिन्दी आलोचना एवं प्रयोजनमूलक हिन्दी। The standard of the test will be of 10+2+3 Examination or equivalent.
M.A. in History	A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% in aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.
M.A. in Journalism & Mass Communication (M.A. in JMC)	A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions based on Current affairs, General knowledge, General awareness and Media. The standard of the test will be of 10+2+3 Examination or equivalent.
M.A. in Linguistics and Contrastive Study of Tribal Languages	A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.
M.A. in Museology	A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.
M.A. in Philosophy	A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.
M.A. in Political Science	A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3

	categories are eligible to apply.	Examination or equivalent.
M.A in Psychology	B.A./B.Sc./relevant degree in Psychology/Applied Psychology from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject of Developmental Psychology, Advanced Physiological Psychology, Language, Memory and Thinking, Psychobiology, General Psychology, Personality Psychology, Health Psychology, Criminal and Forensic Psychology, Guidance and Counselling, Psychopathology, Clinical Psychology, Human Resource Management Sports Psychology, Positive Psychology, Human Resource Management, Research Methodology. The standard of the test will be of 10+2+3 Examination or equivalent.
Master of Social Work (MSW)	A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% in aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions based on Current affairs, General awareness, Social problems and Society. The standard of the test will be of 10+2+3 Examination or equivalent.
M.A. in Sociology	A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.
M.A. in Tribal Art-Studies-Culture and Folk Literature	A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.
M.Sc. in Biotechnology	A Bachelor degree in any discipline of Science and Technology from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% in aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the following areas: Botany, Zoology, Microbiology, Cell Biology, Physiology [Plant/ Animal], Environmental Biology, Evolution, Biochemistry, Molecular Biology. The standard of the test will be of 10+2+3 Examination or equivalent.
M.Sc. in Botany	A Bachelor degree with Botany from a recognized Indian or foreign university (as per the AIU foreign equivalence list) with minimum of 50% in aggregate marks or equivalents in grading system for General and OBC categories and 45% or equivalent for candidates belonging to SC/ST/PWD categories candidates.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.
M.Sc. in Chemistry	A Bachelor degree with Chemistry as a subject at the graduate level from a recognized Indian or foreign university (as per the AIU foreign equivalence list)	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the areas:

	having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	Periodic table, Atomic structure and Chemical bonding, Acid & Bases, Redox, Radioactivity, Coordination Chemistry, Organometallics, Bioinorganic, stereochemistry, Organic reaction mechanism, Heterocyclic, Rearrangement, Spectroscopy, Gases, Thermo-dynamics, Electrochemistry, Solid state, Chemical kinetics, Phase equilibria, Adsorption, Catalysis. The standard of the test will be of 10+2+3 Examination or equivalent.
M.Sc. in Environmental Science	A Bachelor's degree with any one of Life Sciences as a subject at the graduate level from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.
M.Sc. in Geology	A Bachelor's degree with Geology as a subject at the graduate level from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the following areas: Physical Geology, Structural Geology, Petrology, Mineralogy, Stratigraphy, Economic Geology, Palaeontology and Applied Geology. The standard of the test will be of 10+2+3 Examination or equivalent.
M.Sc. in Mathematics	A Bachelor's degree with Mathematics as a core subject at the graduate level from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject of following areas: Abstract Algebra (Basic of Group and Ring Theory), Linear Algebra, Real Analysis, Complex Analysis, Calculus, Ordinary and Partial Differential Equations, Numerical Analysis and Linear Programming problems. The standard of the test will be of 10+2+3 Examination or equivalent.
M.Sc. in Physics	A Bachelor degree with Physics as a subject from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the subject domain knowledge of Relative, Digital Electronics, Thermodynamics, Electromagnetism, Solid state physics, Mathematic physics, Classical Mechanics, Semiconductor devices, Nuclear Physics, Atomic and Molecular physics, Statistical Mechanics. The standard of the test will be of 10+2+3 Examination or equivalent.
M.Sc. in Statistics	A Bachelor degree with Statistics /Mathematics / Computer Science as one of the subjects from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% in aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the following areas: Descriptive Statistics, Statistical Inference, Sample Surveys, Design and Analysis of Experiments, Real Analysis, Probability and Distribution Theory and Linear

		Algebra. The standard of the test will be of 10+2+3 Examination or equivalent.
M.Sc. in Zoology	A Bachelor degree with Zoology as a subject at the graduate level from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject. The standard of the test will be of 10+2+3 Examination or equivalent.
M. Pharm. (Pharmaceutical Chemistry) M. Pharm. (Pharmaceutics)	a) Candidates who have passed B. Pharm. degree examination of an Indian University established by law in India from an institution approved by Pharmacy Council of India and has scored not less than 55% of the maximum marks (in aggregate of four years of B. Pharm.). b) For SC/ST/PWD candidates the prescribed percentage of marks will be 50% of the maximum marks (in aggregate of four years of B. Pharm.). c) Every student, selected for admission to postgraduate pharmacy course in any of the pharmacy institution in the country should have obtained Registration with the State Pharmacy Council or should obtain the same within one month from the date of his admission, failing which the admission of the candidate shall be cancelled.	The Question Paper consists of 100 objective type questions with duration of 2 hours to test the candidates' knowledge in the subject areas (Pharmaceutics, Pharmaceutical Chemistry, Pharmacognosy, Pharmacology and other pharmacy subjects) of B.Pharm Level.
M. Com	A Bachelor degree in Commerce/ Business Management/ Business Administration from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% in aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the following areas such as Accounting (20%), Auditing (20%), and Taxation (20%), Management (General) (20%), Banking and Insurance (10%), E- Commerce (10%)
Master of Business Administration (M.B.A.)	A Bachelor degree in any discipline from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type multiple choice questions to test the candidates' knowledge in the area of General Awareness/Current Affairs and General Knowledge, General Aptitude/Reasoning, Quantitative/Numerical Aptitude and English Language Comprehension/Aptitude. The standard of the test will be of 10+2+3 Examination or equivalent.
M.B.A. (Tourism and Travel Management)	A Bachelor degree from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the area of (1) Verbal Aptitude, (2) Quantitative Aptitude, (3) Logical Reasoning, (4) General Awareness. Each of the above sections shall have 25 questions and carry equal weightage. The standard of the test will be of 10+2+3 Examination or equivalent.

M.C.A.	Candidates having B.C.A/B.Sc./B.A. degree with Mathematics (along with Mathematics as one of the subject at 10+2 level) from a recognized Indian or foreign university (as per the AIU foreign equivalence list) having secured a minimum of 50% in aggregate in case of General and OBC categories and 45% in case of candidates belonging to SC/ST/PWD categories are eligible to apply.	The Question Paper consists of 100 objective type questions to test the candidates' knowledge in the domain subject of Computer Science. The standard of the test will be of 10+2+3 Examination or equivalent.
--------	--	--

Note Rounding of marks or percentage is not allowed. For example 50% marks means 750 marks obtained out of 1500 marks and 45%marks means 675 marks obtained out of 1500 marks (Even 54.9, 49.9% and 44.9 % shall not be considered as equivalent to 55%, 50 % and 45 % respectively).

Process of submission of application form

MODE	INFORMATION ON SUBMISSION OF APPLICATIONS	PAYMENT
ONLINE	<p>The Candidates are required to apply online through the website www.igntu.ac.in They are required to have a valid personal e-mail ID and a mobile phone number. They should be kept active till the completion of the programme, if admission is granted. In case a candidate does not have a valid personal e-mail ID, she/he should create a new e-mail ID before applying online.</p> <p>Candidates are required to upload their recent photograph and signature. Before applying online, a candidate is required to have his/her scanned/digital photograph and scanned/digital signature. Candidates can pay the application fee through NET Banking/Debit Card/Credit Card. The candidate has to submit a copy of the print out of submitted application form and admit card along with required documents to the University at the time of admission.</p>	Rs. 300/ for General/OBC and Rs. 100/-for SC/ ST/ PH along with the bank service charges

NOTE : No offline or postal mode of application is accepted.

Centres of Entrance Examination

IGNTU Amarkantak; Anuppur; Shahdol; Dindori; Jabalpur; Rewa; Bhopal; RCM-Imphal; Raipur; Ambikapur; Raigarh; Muzaffarpur; Guwahati; Ahmedabad; Delhi; Chandigarh; Jammu; Jamshedpur; Nagpur; Bhubaneswar; Sambalpur; Jaipur; Chennai; Varanasi; Gorakhpur; Dehradun; Haldwani; Siliguri.

Note:

- (1) The University reserves the right to cancel any of the above centres and allot another nearby centre to the applicants of the Centre cancelled.
- (2) If any of the examination/s may not be held in any of the sessions due to sudden declaration of bandhs, hartals, etc., at any of the above centres, the University shall not be held responsible for the same and fresh examination/s at such centres for the year shall not be held again under any circumstances. The entrance examination fees paid by the candidates, who opted for such centres where the examination/s were disturbed and could not be held, will not be refunded.
- (3) The venue of the Examination Centre will be given in the Admit Card.
- (4) Based on the number of candidates, the venues at the centres may be increased.
